John Deere recalls D105 lawn tractors due to crash hazard: <https://www.cpsc.gov/Recalls/2017/John-Deere-Recalls-Lawn-Tractors-and-Service-Part-Transmissions>

Recall Date: September 20, 2017

Recall Number: 17-277

Recall Summary

Name of Product: John Deere D105 lawn tractors and service part transmissions

Hazard:

Remedy: Repair

Consumers should immediately stop using the recalled carriers and contact Osprey for a free Seat Pad Insert for use along with the existing safety straps to secure the child in the carrier. Consumers who previously received and installed the free Seat Pad Insert in their carriers are not required to take further action.

Recall Details

Units: About 25,000 tractors and 500 transmissions sold as service parts (in addition, about 1,200 were sold in Canada).

Description: This recall involves John Deere model D105 lawn tractors with serial numbers beginning with 1GXD105, and service transmissions sold by John Deere authorized dealers for use in the D105 lawn tractor. John Deere and the model number are printed on the side of the engine hood. The serial number is located on the rear frame of the machine above the left rear tire. A complete list of serial numbers included in this recall is available at www.JohnDeere.com/D105-Transmission-Recall. If the lawn tractor serial number is not on the firm's website and the transmission had been replaced from March 2016 through August 2017, consumers should contact their John Deere service dealer to check if the recall applies to their replacement service transmission.

Incidents/Injuries: None Reported

Sold at: John Deere dealers, Home Depot and Lowe's stores nationwide from February 2016 through July 2017 for about \$1,500. The service transmissions were sold by John Deere authorized dealers from March 2016 through August 2017 for about \$300.

Importer: Deere & Company, of Moline, Ill.

Manufactured: United States
