

OSHA Makes Change to Ten Hour Construction Training Program

Update impacts student contact hours, replacement card procedures, trainer code of conduct and more

Please be advised that OSHA has updated their OSHA-10 Hour Training Guidelines. It is important for you to review this information if you are an authorized outreach trainer. Failing to comply with these procedures may result in the loss of your teaching authorization. Please click on the links below to obtain more information and to also download a copy of the Trainer Guidelines.
